

FISCAL NOTE

HB 1081 - SB 1912

April 5, 2001

SUMMARY OF BILL: Authorizes retired law enforcement officers to:

- wear an appropriate uniform having an emblem under the law enforcement shield identifying them as retired.
- attend annually a school certified or recognized by the Peace Officers Standards and Training Commission at no cost to such officer to retain certification as a law enforcement officer.
- join a reserve law enforcement officer program and serve with full-time law enforcement officers upon the request of the applicable law enforcement organization.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Less than \$100,000

Increase Local Govt. Expenditures* - Less than \$100,000

Estimate assumes:

- the state will be responsible for the costs of the training classes of retired state law enforcement officers and that such costs would be less than \$100,000.
- local governments will be responsible for the costs of the training classes of officers who have retired from their jurisdictions and that such costs would be less than \$100,000.
- the impact on both the state and local governments depends on the number of retired law enforcement officers choosing to participate in the training.

**Article II, Section 24 of the Tennessee Constitution provides that: no law of general application shall impose increased expenditure requirements on cities or counties unless the General Assembly shall provide that the state share in the cost.*
